Subject: Permit Review Status, Brush Resources, Inc., Topaz Mine, M/023/003,  
Juab County, Utah

Dear Mr. Boulton:

On December 15, 2004, the Division received Brush Resources, Inc.'s revised mining plan for the Topaz mine. Due to a backlog of other permit reviews, the Division has not been able to complete a review of this plan within the usual 30-day timeframe. We apologize for the delay and any inconvenience this may cause you.

We hope to complete our review of your application within the next 45-60 days. We appreciate your patience and understanding in this regard. Please contact me if you have questions or concerns with this proposed review schedule.

Sincerely,

A handwritten signature in cursive script that reads "Joelle Burns".
